DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 14 and 15 are rejected under 35 U.S.C. 102(b) as being anticipated by Reback as applied in the previous Office action.

While the Reback bases are not intended to be used in a stack, Figure 7 nonetheless shows an assembly inherently capable of performing the recited function. The fact that positioning means 16' fits within post holder 10 is irrelevant. The relative positions of positioning means 16,16' clearly qualify means 16 to be called upper and means 16' as lower. Further, base portions 10,10' collectively can be termed as a casing inherently capable of covering a tennis net support post.

Allowable Subject Matter

3. Claims 1-13 and 16-20 are allowed.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3711

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
